thinks his luck will change disaster comes, and he's ready to kill himself.

New Coin Club

The new coin club is putting on a coin display in one of the showcases next to the library to coincide with National Coin Week (April 21-27).

Adding to the festivities is Wilmington Savings Fund Society's local branch president Steven Taylor. Valuable coins will be in the display he will set up at WSFS.

The members of the club have a wide variety of collections. Tom and Carolyn Wallace collect U.S. coins, while Jim Doyle and Charles Rentz take in U.S. and foreign coins. Lance Stubolo rounds out the list with U.S. currency.

"It's like holding a piece of history in your hands," quoted Mr. Waser, club sponsor. The club is worried about the soaring prices of gold, silver, and copper to the point that some time in the future it would be more profitable to take a pound of pennies to a junkyard for scrap copper than to a bank.

"Coin collecting is a good investment too. While banks give you at the most 7 per cent interest, some coins can go up to as much as 50 per cent," Mr. Waser stated.

Jerome Webb and Norman Hahn due to the lack of sprinters and personnel. "I feel that there are a lot, more kids who can make a contribution to track and field at CR," Coach Kinkus said with some disappointment.

"They could make CR one of the strongest track and field teams in the State," proclaimed Coach Kinkus. More personnel would help relieve the excessive amount of pressure on the team members who are forced to work the "double shifts."

Coach Kinkus has also been forced to turn to some of his field experts and turn them into sprinters.

"Bruce Ford, Rick Christy and Dave Mahan turned out beautifully in the sprints," commented Coach Kinkus.

As to the possible records which could be broken, they consist of the 440, 220, discus, shot put, triple jump, pole vault, high jump, high hurdles, low hurdles, shuttle

County Coin Club to observe week

Mayors Lloyd Dinger of New Philadelphia, Guy Smith of Dover, Harold Edwards of Uhrichsville and Eugene Hart of Dennison have proclaimed the observance for the 50th anniversary of the American Numismatic Assn. in connection with National Coin Week, designated as Sunday through next Saturday.

The proclamations were made in behalf of the Tuscarawas County Coin Club, which was organized Nov. 11, 1959, and joined the national organization April 25, 1960. During Coin Week of that year, the group was recognized nationally as second among all clubs.

The club has 160 active members, including the 11 charter members, and uses the motto "The biggest small club in Ohio." It meets regularly in New Philadelphia municipal building, and 50 to 80 coins are auctioned during each session.

A dealer is also present at the meetings to buy and sell coins. Quiz contests are conducted for junior and senior members both, and door prizes are awarded.

An annual show is conducted by the club each fall. Last year, 850 members attended.

Current club officers are C.T. Fisher, president; Lee Sawvell, vice president; Foster Baldwin, secretary and Mrs. Ray Morris, treasurer.

Each president serving a full term is granted a life membership in the club, with seven holding that honor. The first president of the group was Kenneth Espenschied.

PROCLAMATION - NATIONAL COIN WEEK GOLDEN ANNIVERSARY

April 21-27, 1974

NATIONAL COIN WEEK was first observed in 1924 by the American Numismatic Association. It has been an annual event since then, and now is celebrated by thousands of ardent numismatists and numismatic organizations.

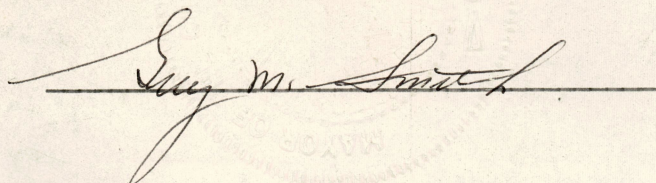

It is one of the outstanding programs of the American Numismatic Association and its 39,000 members, with a constantly increasing membership.

The purposes and reasons for this special week are to advance the cultural and artistic aspects of coin collecting, to advance the enjoyment of the hobby through proper education, to advance the interest in coin collecting as a science, and to attract new collectors who will enjoy the hobby and educate them to the study of history, economics and art through coin collecting.

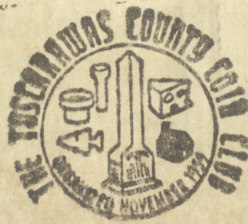

I therefore proclaim April 21st through the 27th, 1974, National Coin Week and commend the American Numismatic Association for its outstanding work and National Coin Week upon reaching its Golden Anniversary this year.

Signed -

IN WITNESS WHEREOF: I have hereunto subscribed my name and caused the Seal of the City of Dover, Ohio, to be affixed this 2nd day of April, in the year of Our Lord, One Thousand Nine Hundred and Seventy-four.
